Subject : Product discontinuation notice of PCD2112

Dear Valued Customers and Distributors :

We thank you for your business with Nippon Pulse Motor Co., Ltd.
We are sending this letter to inform you of the discontinuation of the following item :

1. Discontinuation Item:

Pulse Control LSI
P/N: PCD2112

2. Reason of Discontinuation:

LSI manufacture decided to discontinue production of the LSI.
We started development of successor model with different manufacturer to continue supply.

3. Discontinuation Schedule:

| | |
|------------------|--|
| October 2017 | Announce the discontinuation |
| June 30, 2018 | Deadline for the required quantity from the customers and the distributors |
| October 31, 2018 | Deadline for the last buy order |
| April 30, 2019 | Schedule completion of the shipment |

4. Alternative Items:

We started development of successor model compatible in software and hardware.
But there might be slight difference in characteristics.
We will announce specification of the successor model together with time of release later.

If you have any questions, please feel free to contact our sales representatives.

Sincerely,

Toru Iwamoto
Director of Sales
